PREREQUISITE or CO-REQUISITE: NONE: although THFM-1001 or THFM-1002 are recommended.

The objective of this course is to offer an introduction to technical production in theatre through lectures, projects, and production work. Theatrical Production I is divided into two halves as follows:

1. Sound and Lighting in Production, and
2. Stagecraft and Theatrical Facilities.

The course is divided into lecture and lab sessions. Lectures expose students to principles of stagecraft, the handling of lighting and sound equipment, and the study of theatre facilities with an emphasis on proscenium and studio spaces. Considerations of safety in the handling of equipment and materials will be included throughout along with use of the Workplace Hazardous Materials Information System.

Lab sessions will offer the student the opportunity of applying the principles acquired from lecture to hands-on projects and production work related to the departmental public exercises. To develop broader experience in production, additional opportunities will be available for students to participate in department projects.

EVALUATION Grading is divided evenly between each half of the course.

Assignments distributed over the Stagecraft section (see schedule below)	15%
Scenic construction labs in the 2nd quarter of Stagecraft	15%
Scenic Construction & Production Test	5%
3 tests evenly distributed over the Electricity section	15%
Practical lighting labs for the 2nd quarter of Electricity	20%
Class participation (5% each term)	10%

Term Work	80%
Final Exam (Date: TBA) spring exam covers both Stagecraft and Electricity	20%

Total	100%

CRITERIA FOR GRADING PARTICIPATION

The criteria the instructor considers in assigning participation marks includes the following points:

- **Preparation:** Was the student prepared? Were they on time, having completed assignments/readings?
- **Quality and nature of the participant's contributions and interactions with others:**
 - Were the student's contributions or questions relevant? Did they promote debate?
 - Did the student respect others, listen well, and respond to others' input?
 - Did the student demonstrate productivity in labs and/or offer help to others?
- **Negatives:** Did the student create distractions, seek attention or appear inattentive during lectures?
 - Did he/she engage in facebooking, texting, emailing, idle conversation and the like.
- **Attendance:** Students should note that missing class sessions will limit their opportunities to participate and demonstrate positive interactions. This will negatively affect the participation mark.

POLICY ON LATE ASSIGNMENTS

All project work and papers must be submitted on time. Late assignments will **not** be accepted and will be graded as zero unless prior arrangements have been made with the instructor concerned. Work not submitted will be graded as zero.

CONVERSION SCALE For the calculation of the final grade the following conversion table will be used:

A+	90 – 100%	GPA	4.5	C+	65 – 69.9%	GPA	2.5
A	85 – 89.9%	GPA	4.25	C	60 – 64.9%	GPA	2.0
A-	80 – 84.9%	GPA	4.0	D	50 – 59.9%	GPA	1.0
B+	75 – 79.9%	GPA	3.5	F	below 50%	GPA	0
B	70 – 74.9%	GPA	3.0				

Work not submitted will be graded as 0%.

2017 ORIENTATION ASSEMBLY

Each year in September we hold an *Orientation Assembly* to welcome students to the new term, introduce our new students to faculty and other students; provide information about the department, its various activities and those of its professors; and deliver news about what's coming up. This year our *Orientation Assembly* will be held on **Wednesday, September 13, 2017, 12:30-13:20 in Theatre, 1T15.**

ATTENDANCE IS "THE REAL THING" LECTURE SERIES

The Department of Theatre and Film is presenting a series of six lectures which will be held Wednesdays during the free period (12:30-13:20) in Theatre 1T15. Please note the dates in your diary **NOW**: Sept 20 (playwright Judith Thompson), Oct 18, Nov 15, Jan 17, Feb 28, Mar 14. This series will feature speakers from a range of areas in the performing arts: technical, performance, design, management, film, directing, playwriting, etc. These speakers will specifically address issues related to "the business of the business."

Attendance for potential Theatre Honours/Majors and for Film Majors is optional but highly recommended.

COMPULSORY for all Majors and Honours students. Those considering Honours are strongly recommended to attend. All others are welcome and encouraged to attend.

TAFSA

All students enrolled in at least one theatre or film class are automatically members of TAFSA, the Theatre and Film Students' Association, which plans a number of exciting activities each academic year. We are looking forward to regular **Performance Jams, Socials, DioFest** (an exciting new play festival featuring student written and produced plays), and the very popular **24/7 Event** during which students move into our building and several plays are written, rehearsed, produced, and presented – all in a period of 24 hours! Please join TAFSA to find out more at its organizational meeting: Mon Sept 18, 12:30-1:20, Room 0T10. This is a great opportunity for students to connect with other like-minded people and a way to get involved in the department events.

STUDENT PARTICIPATION POLICY

Theatre is a communal art form in which a number of interdependent artists and crafts people co-operate to create a work of art. This fact is necessarily transferred to the learning situation, and is reflected in many of the Department's courses. Consequently, it is the Department's policy that students are required to: complete homework such as reading, line-learning, script analysis, prop lists, design drawings, etc.; attend classes; attend rehearsals both within and outside of class times; and, in short, to exhibit commitment towards the inevitably shared endeavours of our field of study.

Any student failing to fulfil these requirements is harmful to the progress of dedicated students and may, after due warning, be asked to withdraw from any individual Departmental course.

COURSE CONTENT NOTE

Dramatic Literature depicts a wide variety of human action, both elevated and base, public and private, physical and psychological, sexual and non-sexual, etc. The Department of Theatre and Film will not undertake to censor the subject matter of dramatic works.

Students who have concerns about dealing with the full range of content and style in drama/film are urged to discuss these concerns with the course instructor.
