

NEED A JOB?

The Department of Theatre and Film is hiring

TWO HOUSE MANAGERS and a PROPS AND COSTUME LOANS COORDINATOR

FOR OUR 2017/18 SEASON

These are paid Work/Study positions provided through grants from the UW Student Awards and Financial Aid Office.

To be eligible to you must:

- be a full time student (min. 18 credit hours)
- be regular status
- have successfully completed 30 credit hours
- have a GPA of 2.0 or better
- have “financial need”

These positions are unionized by the Association of Employees Supporting Education Services (AESES). We are currently developing updated job descriptions. **As a result, the university is not quite ready with the details of how to apply for these positions.**

Please visit the university's

"Faculty and Staff/Human Resources/Employment" web page:

<http://www.uwinnipeg.ca/hr/employment.html>

as full details will be posted there as soon as they are available (or check with Patty).

Though job ads have not yet been developed, applicants should be senior students with good grades.

It is likely that experience, achievement level in related courses in Theatre and Film, the ability to complete assigned work in a designated time frame, and overall academic standing will likely be factors considered for selection. We expect that preference will be given to current UW students in the final stages of their degree at the University of Winnipeg.

You will be able to apply on-line; the deadline is expected to be in August. Only Applicants to be interviewed or hired will be contacted.

NOTE: POSITIONS ARE SUBJECT TO FUNDING.
